# Soviet Policy During the 1967 Arab-Israeli War

Isabella Ginor and Gideon Remez will discuss their prize-winning history of the Six-Day War in 1967 which attempts to radically change our understanding of that conflict, casting it as a crucial arena of Cold War intrigue that has shaped the Middle East to this day. The authors, award-winning Israeli journalists and historians, have investigated newly available documents and testimonies from the former Soviet Union, cross-checked them against Israeli and Western sources, and arrived at fresh and startling conclusions.
