Behind the Scenes of a Smithsonian Archaeological Dig

Ever wanted to know what really happens on an archaeological dig? This talk will take you "behind the scenes" of current excavations at the Smithsonian prehistoric research site at Olorgesailie, Kenya. You'll see a scenes from a day in the life of a field archaeologist, from excavation techniques to our field camp, and learn about what early humans were doing there nearly a million years ago.

Speaker: Dr. Briana Pobiner

(Paleoanthropologist and Educator, Human Origins Program,
National Museum of Natural History)

Date: Saturday, November 6, 2010

Time: 2:00 - 3:30 pm

Location: The Naturalist Center

(741 Miller Drive, SE, Suite, G2, Leesburg, VA 20175)

Telephone: 703-779-9712, 800-729-7725

(For visitors 10 years of age and older)
