Mason Around

the Globe

Have you **studied abroad**? Are you interested in sharing your experience, and getting your photographs published in an **award-winning magazine**?

The Office of Student Media's biannual magazine *VoxPop* is entitled ***Mason Around the Globe*** this semester, and it focuses on George Mason University's diverse opportunities to study and travel abroad.

If you are interested in submitting photographs from your study abroad experience for *Mason Around the Globe*, please follow these guidelines:

1. Photographs must be from a study abroad trip through George Mason University. Photographs can be from different countries visited during a study abroad program, but they must have been taken while during a study abroad program affiliated with Mason
2. Please include:
 - a. Your **name, year, and major** (and minor if applicable)

- b. The study abroad program you participated in, including the **location and duration** of the program, as well as the **type of program** (ex. Semester Honors Program in Oxford, England; Winter Break Internship in London; One-year Direct Exchange in Malta), and **the specific year and months** you participated in the study abroad program (ex. Fall 2011, Spring Break 2009, etc.)
- c. A caption for each photograph with a short description, and details of exactly **where and when** the photo was taken

3. You may submit as many photographs as you like.

If you are interested in writing a personal narrative or providing a quotation about your study abroad experience, please contact the Editor-in-Chief Nicole Wiesenbahn at nwiesenh@masonlive.gmu.edu for prompts and guidelines.

The deadline for submitting photographs is **Friday, March 25, 2011**, but the sooner they are submitted, the better. Please e-mail photos to Nicole Wiesenbahn at nwiesenh@masonlive.gmu.edu as an attached JPEG image.

Nicole will contact you by Monday, March 28 if your photograph is selected to appear in *Mason Around the*

Globe. By submitting your photo(s), you are giving permission to the *VoxPop* staff to publish the image(s), and to edit and alter the image(s) for style and design reasons. Editors will not automatically discuss these changes with you; however, if you are interested in the editing process of your photo, please set up a meeting with Nicole.

Thank you very much for your time, and for your interest in *VoxPop: Mason Around the Globe*. We hope you will be willing to share your study abroad experience with us and your Mason community so students can see the amazing opportunity they have to explore the world with Mason.
