## SECRET TALKS AND THE END OF APARTHEID

SOCIO-POLITICAL REALITIES OF  
SOUTH AFRICA: PAST AND PRESENT

A film and Q&A session with Professor Willie Esterhuyse

Dr. Willem Esterhuyse, Emeritus Professor of Philosophy and Business Ethics at University of Stellenbosch. He is widely known for his involvement in secret Track II diplomatic efforts leading to the end of Apartheid.

Join George Mason University's Office of Global and International Strategies and Center for Global Studies to discuss his work as an anti-apartheid leader and the existing challenges in modern-day South Africa.
