CEIE Announcements

NOVEMBER 2014

Environmental Engineering Minor

Three of the required courses are CEIE courses, and three are outside civil engineering, requiring credit hours beyond those required for the BS-CIE. Students graduating in December 2014 or after may begin taking courses for the minor now.

Nov 6	Seniors
Nov 10	Juniors
Nov 12	Sophomores
Nov 14	Freshmen
Nov 19	Nondegree Graduate
Jan 5	Nondegree Undergrad

Commit to Action

The Clinton Global Initiative University is a consortium of colleges

And universities whose students commit to addressing some of the world's most pressing challenges. George Mason is entering its second year as a member of the consortium and will be providing \$10,000 in funding to accepted CGI U students to support their progress towards CGI U commitments and travel. All students enrolled through the 2014-2015 academic year are eligible to apply and develop a Commitment to Action, either as a group or individually. A Commitment to Action is a measurable initiative that addresses a global challenge across CGI U's five focus areas which are: education, environment and climate change, peace and human rights, poverty alleviation and public health. Student interested should apply by December 1, 2014 at www.cgju.org/applying_to_cgju/. Students applying should send a copy of their CGI U application to Mason's CGI U representative: Alissa Karton at akarton@gmu.edu.

Coming Up...

Posters on the Hill

The Council on Undergraduate Research will be hosting its 19th Annual Posters on the Hill event in spring 2015. This event allows undergraduate researchers to present their research to members of U.S. Congress and demonstrate the importance and value of funding research initiatives. If you would like to submit an abstract, they are due by Wednesday, November 5. Please visit, https://members.cur.org/members_online/submissions/substart.asp?action=welcom&cid=146 for the submission form.

ASCE Career Fair | 12 p.m.— 4 p.m.

GMU ASCE will be hosting the 10th annual Career Fair November 12 from 12 p.m.-3 p.m. A resume file with graduating seniors/graduate students will be sent out prior to the fair. If interested in having your resume on the CD, email gmuasce@gmail.com and specify your year. The graduating student deadline has passed, however, all other student resumes are due by Nov 10. Please refer any questions to Program Coordinator Anne Zheng and/or Corresponding Secretary Dorothy Amoah-Darko at gmuasce@gmail.com.

GMU EflD in Central America

EflD has provided updates on their electrical work on the Rio Coco River of Nicaragua and Honduras as well as information on their water project in Bathania, a small town off of the Atlantic Coast. If you are interested in reading these articles, please visit the main office, room 1300, where they will be posted on the bulletin board.
