

Spring 2016 Graduate Teaching Assistantship Application Questionnaire

1. Have you been a Graduate Teaching Assistant or student wage employee at GMU before?

- No.
- Yes. Which department/unit did you work for? _____
 What type of assignments did you have (teaching labs, recitations, and/or grading)? _____

2. When do you plan to graduate? _____

3. The Spring 2016 schedule has been published on Patriot Web. Please look at the schedule and write down your planned course schedule (i.e. which courses/ you are planning to take and the days/times they are offered).

Your Spring 2016 planned schedule: _____

4. Based your individual planned course schedule, mark on the list below (by indicating with a check mark in the small boxes) which assignments you will be available to perform. Any lab or recitation section that you mark should not coincide with your own planned schedule (sections you have marked for grading can coincide). If there are particular section/s you would **prefer** to be assigned to, then indicate with a number in the space provided on the right of each section your order of preference. i.e. put the number 1 next to the section that is highest on your preferred list, 2 next to your second preferred section, etc. If there are two (or more) sections that have the same priority for you, then mark the same number next to both sections.
