Remember Pearl Harbor!

2017 will mark the 75th Anniversary of the attack on Pearl Harbor. Join us as we remember Admiral Black, the last owner of Rippon Lodge, a World War II veteran and survivor of Pearl Harbor, and all of those who lost their lives on this fateful day.

Experience a soldier's daily life in the European and Pacific Theatres. World War II living historians, portraying Axis and Allied soldiers will drill, conduct maneuvers and provide live demonstrations. Learn about life on the home front and the many ways that citizens supported the war effort. View original World War II artifacts, see a Victory Garden and more throughout the day.

Interested in participating? Please contact the Rippon Lodge staff for group requirements and details.
