Bioinformatics & Computational Biology Candidate Seminar

Wednesday April 26, 2017

Dr. Vijender Chaitankar

Ph.D. Computer Science, Virginia Commonwealth University
M.S. Computer Science, The University of Southern Mississippi

Current Position: Research Fellow
Neurobiology Neurodegeneration & Repair Laboratory
National Institutes of Health

Candidate for the position of Assistant Professor, Bioinformatics & Computational Biology in the School of Systems Biology

Seminar 1:00 pm-2:00 pm

Grad student meetings 2:00 pm-3:00 pm

Colgan Hall 203

Seminar Title: "Integrative Analysis of Disparate Next Generation Sequencing Data Sets Reveal Network Dynamics of Developing Mammalian Photoreceptors"

All are invited to attend

School of Systems Biology

Colgan Hall Rm 312
10900 University Blvd., Manassas VA 20110
