Position Title: ECE Web Developer

Location: George Mason University, Fairfax, VA

Employer: Department of Electrical and Computer Engineering, George Mason University

**Position Summary and Requirements:**

The Department of Electrical and Computer Engineering (ECE) at George Mason University is looking for an ECE Web Developer. For updating and redesigning our ECE web page, the ECE department is looking for a Drupal expert. The applicant should have in-depth knowledge of how to design, build and maintain Drupal based websites as well as how to insert content into Drupal via python scripts. Knowledge of HTML, CSS and content scrapers such as BeautifulSoup is required.

Qualified applicants should have a portfolio of previous work and be prepared to demonstrate their skills.

**Special Instructions to Applicants:**

The position starts immediately.

This is a part-time, non-benefited Student Wage position with the rate of \$15 per hour, up to 20 hours per week for Spring 2018 semester. To apply, please apply through HireMason (Position ID: 151667, ECE Web Developer) or please send your cover letter, resume and portfolio to Ms. Jammie Chang at [jchangn@gmu.edu](mailto:jchangn@gmu.edu)
