

Seminar 4: Recent Graduate : STEM Career Seminar Series

HUB rooms 3&4

Wednesday December 5th

12pm-2pm

Food will be provided

Sponsored By : SWE , NSBE, SACNAS, and SAME

The fourth and final seminar of 4 on workplace skills for STEM majors. This seminar will feature a GMU Alum, with a Bachelors in Bioengineering and is currently working on a Masters in IT. We will discuss how to progress in your career and the challenges of navigating the modern workplace as a recent graduate.
