| <p><i>Several courses are listed as fulfilling more than one requirement. In these cases, you may choose which requirement to fulfill with the course, but each course can only fill one slot. For example, if you are a U.S. history concentrator, Professor Lebovic's course can fill your pre-1861, 1861-1914 or your 1914-present requirement, but only one.</i></p> | | | | | | | | | | | | | | | | |
