Ladies & Gentlemen -

The faculty and staff of the Department of Mechanical Engineering extend to you an invitation to attend its 3rd Annual Mechanical Engineering Design Capstone presentation Day, held

Thursday, 2 May 2019
0900 – 1200
Hub Auditorium
George Mason University
4400 Rivanna River Way
Fairfax, VA 22030

This year student presenters from mechanical engineering will be joined with students from bioengineering at this celebration of achievement. Over 100 seniors will showcase the findings of 22 design projects. Dr. Bethany M. Usher, George Mason University Associate Provost for Undergraduate Education, will provide the keynote address. We look forward to your participation

The official schedule of events is being finalized and will be distributed later this spring.
