

CHAPTER NEXT: ENDING SEXUAL VIOLENCE

DONATIONS NEEDED

Mason Supports Women Giving Back

Women Giving Back helps supply kids with nutritional breakfasts and snacks while their mothers shop, because these children often miss their meal at the shelter in order to come into WGB's facility. WGB recently launched Snack Pack as a complement to this mission after noticing that the only meals that many of WGB's children who are not living in shelters receive is at school.

At this year's Chapter Next Program at Mason, we are helping to support Women Giving Back's Snack Pack Program and we are collecting donations to fill snack packs with two-day meals during the school year, summer, and other breaks. We have created an Amazon Wishlist (bit.ly/wgbsnackpacks) to make donating even easier! All items purchased on our Amazon Wishlist will be used to help make the snack packs.
