

**Corning is hiring in Manassas. No experience required!**

**Part time hours now available for College students!**

**We are playing a key role in COVID-19 testing**

**Shift Schedule:**

Manufacturing positions available on all shifts from Monday – Friday. **40 hours per week or at least 24 hours a week for college students. College students must work a minimum of 24 hours.**

**1<sup>st</sup>** shift (7am – 3pm)

**2<sup>nd</sup>** shift (4pm – 12am)

**3<sup>rd</sup>** shift (12am – 8am)

**Weekends can be part of your shift, but only 1<sup>st</sup> shift hours are available on weekends (Sat/Sun).**

**Duties/Responsibilities:**

The successful associate will be able to work effectively in a manufacturing environment doing repetitive tasks to fill and package products using aseptic techniques. Duties include measuring and dispensing product into vials, hand applying labels to the vials and boxing the finished product.

**Working conditions:**

Stand for long periods of time. Wear PPE as required: gowning, safety glasses, gloves, mask, etc. Able to lift up to 25 lbs.

**Timeframe Needed:**

This is a temporary position for at least 6 months, extending through March 2020.

**Requirements:**

Must be 18 years of age with high school diploma or equivalent. No experience required. We will train on the job. Must be able to successfully pass drug screen and background checks. Must be detail oriented and able to follow instructions.

**Hourly Pay Rate:** \$13 - \$15 depending on experience.

Please forward your resume to [ManassasHR@corning.com](mailto:ManassasHR@corning.com) if interested and include your preferred schedule of at least 24 hours. We will follow up with you to confirm your interest.
