Instructions:

1. Immediately after each seminar, please get this form signed by any faculty member attending the seminar.
2. At the end of each semester, submit a copy of this form to the ECE Department.
3. You are required to maintain a backup copy of this form by yourself.
4. Enroll in ECE 795 Engineering Seminar in the semester when you plan to graduate.
5. Submit a final version of this form to the ECE Department before the end of the semester when you apply to graduate.
6. Seminars classified as Other cannot be used to fulfill the new seminar requirement, introduced in Spring 2016 (with 6 seminars total).
7. To fulfill the old seminar requirement (pre Spring 2016), submit this form as well as the old Seminar Attendance Record form, with at least 10 seminars total.
